**Sub.: Call for Research Article for publication in Journal of Rehabilitation Council of India (JRCI)**

Madam/Sir,

Rehabilitation Council of India, a statutory body under the Ministry of Social Justice & Empowerment, Department of Empowerment of Persons with Disabilities (Divyangjan) bring out a peer reviewed Journal of Rehabilitation Council of India (JRCI) which published research articles in the field of disability rehabilitation and special education contributed by eminent experts in this field.

Journal of Rehabilitation Council of India (JRCI) is an eminent publication of Rehabilitation Council of India which is published yearly, since from 2005. JRCI Vol. 13 No.1 & 2 (January 2022-December 2022) is also under printing. In continuation of publication of next issue of JRCI, Council invites original research articles based on actual field work to be covered in the articles from the academicians/researchers/faculties/professionals from Universities/Organisations/Institutions. Articles should be related to any of the benchmarked disabilities or special needs or special education and disability rehabilitation. Articles will be reviewed by the editor nominated by the Council and the same will be published in its next issue of JRCI.

In view of above, all the concerned experts from the disability rehabilitation sector are requested to submit original research articles on e-mail [librci-depwd@gov.in](mailto:librci-depwd@gov.in). After publication of research articles in JRCI, an honorarium (as per RCI norms) and a copy of JRCI will be sent to the first author.

Guidelines for Writing Research Papers for kind perusal is enclosed herewith for submitted the research articles.

Yours faithfully,

(Dr. Rajesh Kr. Verma)  
Assistant Director

Encl: as above

## **Journal of Rehabilitation Council of India - Call for Papers**

The Rehabilitation Council of India (A Statutory Body under the Ministry of Social Justice and Empowerment, Department of Empowerment of Persons with Disabilities (Divyangjan) brings out a Journal of Rehabilitation Council of India, which carries articles on issues and trends on rehabilitation research, human resource development, technological developments, innovations, news and events, editorial, book review, etc. The Council deems privilege to invite articles for JRCI from all eminent rehabilitation scientists/ professionals/ researchers, and a token honorarium of `3,000/- for reviewing the article and `5,000/- is paid for each contribution & complimentary copy to first author.

The manuscript should reflect original contribution based on actual field work to be covered in the articles, should relate to mental retardation, hearing impairment, visual impairment, locomotors and associated disabilities and multiple disabilities.

Please send your article along with soft copy (CD) or by e-mail to the Chief Editor, JRCI.

### **PART A: GUIDELINES FOR THE REVIEWERS OF ARTICLES FOR JRCI**

**I. Confidentiality:** The review process is strictly confidential and should be treated as such by reviewers. No one who is directly/ indirectly involved with the manuscript should be consulted by the reviewer before or after publication. Reviewers may only use publicly published data (i.e. the contents of the published article) and not information from any earlier drafts.

**II. Understanding Peer Reviewing:** An efficient editorial process that results in timely publication provides a valuable service both to authors and to the scientific community at large. The authors are your peers and deserve due respect. Reviewing is expected to be done without attempting to know the author/s.

**III. Time Span of Review:** Article need to be reviewed and reported within 30 days of receiving it from RCI.

#### **IV. Ethical Issues**

- **Plagiarism:** If you suspect that an article is a substantial copy of another work, let the editor know, citing the previous work in as much detail as possible. Available softwares may please be used.
- **Fraud:** It is very difficult to detect and determine fraud, but if you suspect the results in an article to be untrue, manipulated or fabricated discuss it with the editor in your confidential comments.
- **Other ethical concerns:** Has confidentiality of the research participants been maintained? Article should not indicate that the data has been collected without the consent of the participants. If there has been violation of accepted norms of ethical treatment of animal or human subjects, these should also be identified.
- Other ethical issues may not be mentioned here.

## **PART B: GUIDELINES FOR WRITING RESEARCH PAPERS**

(Reviewers are expected to go through the Guidelines for Paper Submission before review of the article. Same are given here for the ready reference.)

Submitted article is expected to be as per the specifications given below:

1. Original and unpublished manuscripts should be submitted between 2000 and 5000 words (including an abstract of not exceeding 150 words on separate sheet of paper) along with a copy of the file on disk (Microsoft Word) or as an e-mail attachment.
2. A declaration by the author(s) that the paper(s) has/have not been sent elsewhere for publication/presentation. It should be made on separate sheet with the title of the contribution, name(s) of the author(s), full postal address for correspondence along with signature.
3. Paper should be in English, typed double space on one side A4 paper, leave one-inch margins all around the text of your paper.
4. End notes and works cited should be used instead of footnotes.
5. Avoid biased language and do not underline words.
6. All pages should be numbered consecutively throughout the manuscript (including the first page) in the upper right hand corner of each page, one half inch from the top.
7. Abbreviated words should be written in full on the first mention followed by the abbreviation in parentheses.
8. Tables and illustrations should be prepared on separate sheets with location notes at the appropriate places.
9. Copies should be clear, readable, and on paper of good quality. Authors should keep a copy in case of loss. Manuscripts should contain no handwriting.
10. Reference list should be at the end of the article with complete bibliographical information in the following pattern:

For Books: Oliver, M. (1990). *The Politics of Disablement*. London: Macmillan.

For Articles: Edwards, D.S. (1997). Dismantling the Disability/Handicap Distinction. *The Journal of Medicine and Philosophy*, 22 pp. 589-606.

For Edited Books: Word, L. (1988) Developing Opportunities for an Ordinary Community Life, In: D. Towell (Ed.). *An Ordinary Life in Practice*. London: King Edwards Hospital Fund.

For Online Resources: Standes, R. (2000). *Plagiarism in Colleges in the USA*. Retrieved from: [www.rs2.com/play.htm](http://www.rs2.com/play.htm) (accessed August 6, 2004)

For Chapters: Wills, P. (1983). Cultural Production and Theories of Reproduction. In L. Barton & S. Walker (Eds.), *Race Class and Education*. London.

Review: Review of pertinent books, audiovisual materials and computer software will be published in each issue. Reviews should be 1–4 pages in length and should include author's name, publisher's name, year of publication and price.
